Glossary of Key Terms

Programme: Group of related interventions that are intended to achieve common outcomes within a specified timeframe. This field is above the Vote and reflects one of the 20 National Development Plan (NDP) III Programmes.

Vote: These are institutions (Ministries, Departments, Agencies and Local Governments) which form the basis of the annual budget and appropriations made by Parliament, and the source of accountability, e.g. Ministry of Health.

Sub-Subprogramme: This is a group of related interventions/outputs contributing to programme outcomes.

Department: These are administrative units within the institution that implement activities.

Project: Series of tasks that need to be completed to reach a specific outcome. These represent a set of activities that primarily involve capital purchases and are mapped to respective departments to deliver their results.

Budget Output: This is a service or activity provided by an agency and is undertaken directly by the department/project.

Item: Unit of revenue or expenditure and is the lowest operational level of the budget.

Chart of Accounts: This is a complete list of items against which budget allocations are made. It is appropriated through the Integrated Financial Management System (IFMS) and this forms the basis of the detailed budget estimates.
